- 18K Palladium White Gold
- 18K Red Gold
- 950 Platinum
- 950 Palladium

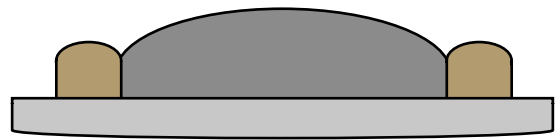

Liners and edges are an optional ring design element available for customized rings by Andrew Nyce Designs.

The Tiered Collection of Mokume Gane and Damascus Stainless Steel rings utilize both liners and edges in a multi-level design.

The following schematics provide cross-sections of rings with liners and edges showing the recommended combinations of Top of Ring profiles and Comfort Fits available for a customized ring.
